# Nadim Chowdhury

Computer Science Undergrad | Flutter Developer | Proficient in C and Dart.

Chattogram, Bangladesh

## Summary

I am Nadimul Haque Choudhary, currently pursuing my undergraduate degree in Computer Science at Port City International University.

I am dedicated to expanding my skills in app development, particularly with Flutter, a leading framework for creating cross-platform mobile applications.

Driven by a passion for innovation and a commitment to user-centric solutions, I am eager to connect with professionals and explore opportunities that allow me to apply my skills and contribute to impactful projects.
